This Trademark Security Agreement and the security interest granted hereby are subordinate in the manner and to the extent set forth in that certain Intercreditor Agreement (the "Intercreditor Agreement") dated concurrently herewith by and between Wayzata Investment Partners LLC, as agent to the Lenders described below, and General Electric Capital Corporation, as agent (in such capacity, the "First Lien Holder") to the financial institutions party to the Fourth Amended and Restated Credit Agreement dated as of January 16, 2004 by and among Portola Packaging, Inc., the financial institutions from time to time party thereto and the First Lien Holder, as amended; and Wayzata Investments Partners LLC, by its acceptance hereof, irrevocably agrees to be bound by the provisions of the Intercreditor Agreement.

### **TRADEMARK SECURITY AGREEMENT**

WHEREAS, Portola Packaging, Inc. a Delaware corporation ("Grantor"), owns the Trademarks and applications for Trademarks listed on Schedule 1 annexed hereto; and

WHEREAS, Grantor, Wayzata Investment Partners LLC ("Agent"), Agent and a Lender, and other financial institutions from time to time, are parties to a Credit Agreement dated as of April 14, 2008 (as the same may be amended and in effect from time to time, the "Credit Agreement"), providing for extensions of credit to be made to Grantor by Agent, and certain other financial institutions that may from time to time become parties thereto as Lenders (as defined in the Credit Agreement); and

WHEREAS, pursuant to the terms of the Security Agreement dated as of April 14, 2008 (as the same may be amended and in effect from time to time, the "Security Agreement"), between Grantor and Agent (in such capacity, "Grantee"), Grantor has granted to Grantee for the benefit of Lenders a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of all amounts owing by Grantor under the Credit Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, but subject at all times until the First Lien Termination Date to the rights of the First Lien Holder under the Intercreditor Agreement, Grantor does hereby grant to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

(1) each Trademark and application for Trademark listed on Schedule 1 annexed hereto, together with any renewals, reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(2) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

The security interest granted hereby is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Upon termination of the Intercreditor Agreement, references herein to the Intercreditor Agreement shall be of no further force or effect.

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer as of April 14, 2008.
